***CLINIC  
INDICATORS  
REPORT 012***

**REPORTING PERIOD JULY  
2021**

*Disclaimer: The below numbers are meant to offer a snapshot of the activities hosted and beneficiaries served at the Embrace Mental Health Center. While information is recorded as accurately as possible, not all information is available at all times.*

## I. NEW REQUESTS FOR SERVICES

85

Every beneficiary that calls the clinic is briefly screened to better gather basic demographic information, understand the reason for which they are seeking services, and orient them accordingly. The new requests represents the number of people who called requesting EMHC services. The outcome of the new requests represents the decision taken after the information was gathered from the potential beneficiary.

## II. REFERRAL SOURCE

The referral source represents the different ways beneficiaries were referred to or learned about the Embrace Mental Health Center.

*\*Note that the graph reflects the percentage of beneficiaries who reached out to the Embrace Mental Health Centre during the reported month, regardless of whether they received an appointment or not.*

*\*Note that mental health professionals include practitioners at Embrace*

IX. MENTAL HEALTH SURVEY SCORES

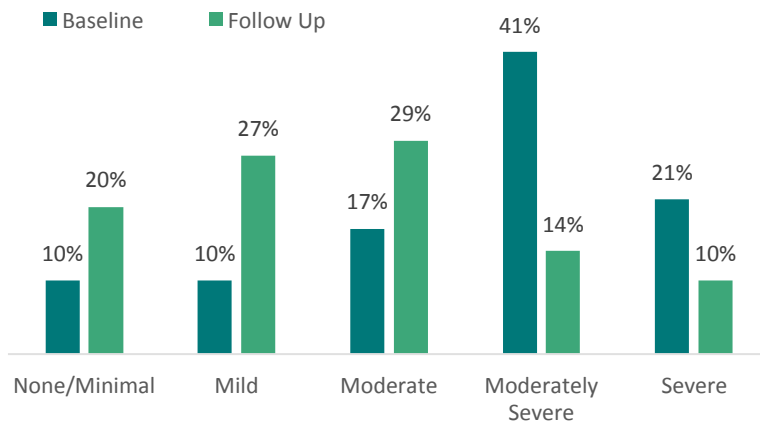

During their first visit, the beneficiaries are asked about common symptoms of depression, anxiety and trauma. As they progress through treatment, beneficiaries are asked to take the same surveys again every few months.

The questionnaires are:

1. **PHQ-9:** a validated instrument for measuring the severity of depression.
2. **GAD-7:** a validated instrument for measuring the severity of anxiety.
3. **TSQ:** a brief trauma questionnaire used to predict a PTSD diagnosis.

## X. ZOOM IN ON SOCIAL WORK DEPARTMENT

The social work department at Embrace serves the Embrace Mental Health Center (EMHC). It aims to provide a holistic approach to mental health care by offering psycho-social assistance to beneficiaries served by the EMHC. The EMHC are resourced with comprehensive referral networks linked with governmental and non-governmental organizations that provide a wide range of psychosocial services from livelihood, shelter, basic assistance, child protection, and organizations catering to the needs of vulnerable groups such as refugees, LGBTQ community and persons affected by gender-based violence. The department is currently staff by one social worker who coordinates with a multi-disciplinary internal team of psychologists, psychiatrists, psychiatric nurse, hotline operators and clinical supervisors.
